# Marc Heath

I am a self motivated and enthusiastic individual, I have received CAD training as part of my qualification in Architectural Technology from Edinburgh College. I am confident in applying creative thinking skills to my abilities in Revit and AutoCAD to solve problems and produce a better standard of work. I have a growing portfolio with examples on my website.

## EXPERIENCE

GRAPHIC DESIGNER  
Frame The Shot  
Freelance - Until 2015

Logo, Leaflet and Website Design freelance services. Developed skills in Adobe Photoshop, Illustrator and InDesign. Experience in designing websites from scratch and in WordPress.

GENERAL MANAGER  
Mikes Tackle Shop  
May 2005 - Feb 2012

Responsibilities included: Managing staff, handling customer orders and ordering from suppliers, generating invoices, identifying potential customers and developing strategies, computer and network management, website development and maintenance.

NIGHT CARETAKER  
Places For People  
Feb 2012 - Nov 2015

Part time night security duties while studying for my HND in Architectural Technology. Responsibilities included running the homeless hostel at night and ensuring the safety of residents, record keeping and dealing with incidents or disputes.

SALES CONSULTANT  
Porcelanosa  
Dec 2015 - June 2017

Showroom sales, customer service with producing bathroom designs. I often worked with Plumbers, Joiners, Tilers and Architectural Drawings to first calculate dimensions then quote on orders and propose designs or layouts for bathrooms.

SALES EXECUTIVE  
Create  
June 2017 - Present

As part of a four person team we handle projects from interior designers, architects, builders and landscape gardeners. We specify and supply all materials required to decorate or refurbish homes and commercial properties from sub floors, paint to wall art.
